Plaque Committee Report: Brother _____ “ _____ ” _____ reported

- Committee Member(s): Mark Jenkins, Gene Jenkins, Keith Kinne

It is reported that the old Oddfellows Hall in Elk grove is going to be torn down and that it is plaqued. We should think about retrieving the plaque and placing it on the grounds after the final disposition of the property occurs.

Also we might want to think about plaquing the VFW Post in West Sacramento because it was moved from Beal AFB in the late 40's and seems plaque worthy.

The plaque at the site of the Old Sutterville Brewery has been hit by a truck and is down. Brother Bob "Popeye" Farrell reports that he has been to the site and contacted the building owner, Steve Williams, concerning the plaque. Mr. Williams says that it was a hit and run and that we are welcome to put the plaque back up, in fact he would really appreciate it. We will contact him and let him know when we plan on having a work party out to attend to the project.
